Danish Days 2018

July 18-22

Viborg, SD

## **Danish Days 2018**

This year, Danish Days will also include Viborg's 125<sup>th</sup> Anniversary celebration so we are anticipating an extremely busy weekend in Viborg. Our five-day celebration will begin this year on Wednesday evening, July 18, with events at Swan Lake. The remainder of events from Thursday through Sunday will take place in and around Viborg. Please refer to our website for a complete schedule of events and locations. [www.danishdays.org](http://www.danishdays.org)

Vendors will be allowed to set up at locations of their choosing (so long as legally parked and not interfering with events). If vendors require electrical hookup, this will limit location options. Vendors may move to various locations throughout the weekend based on events occurring. Danish Days committee members will be available at the various events to assist with questions if they arise.

## **Application Information**

- Please complete the attached form with your information.
- Provide copies of food service and sales tax licenses
- Send completed form, required documents, and payment to:  
Danish Days Committee  
PO Box 45
